

No.21 Procedural Requirement for Statutory Surveys by Exclusive Surveyors

(Rev.0
July 2009)
(Rev.1
Apr 2010)

1. On ships subject to the SOLAS, MARPOL and/or Load Line Conventions, all statutory surveys are to be carried out by exclusive surveyors.
2. This includes follow-up surveys relating to rectification of statutory deficiencies. Approved service suppliers (see UR Z17) may be used to assist the exclusive surveyor. Purely administrative work having no bearing on safety or pollution prevention may be carried out by non-exclusive surveyors where allowed by the relevant flag Administration.
3. For the purpose of this Procedural Requirement, use of properly qualified, exclusive surveyors employed by other Classification Societies is subject to the discretion of the flag Administration.

Notes:

1. This Procedural Requirement applies from 1 July 2009.
2. For definition of exclusive surveyors, refer to the Procedural Requirement No.5.
3. Rev.1 of this Procedural Requirement applies from 1 July 2010.
