

No. 36 Transfer of Maritime Labour Convention, 2006 Certification

(Mar
2013)

Application

This Procedural Requirement contains procedures and requirements pertaining to the transfer of Maritime Labour Convention, 2006 (MLC) certification when a request is received from a shipowner for such transfer from one Classification Society (the losing Society) to another Classification Society (the gaining Society), and is applicable irrespective whether the certification is mandatory or voluntary.

The obligations of this Procedural Requirement apply to Classification Societies which are subject to verification of compliance with QSCS.

This PR is applicable to all cases of transfer of MLC certification between Classification Societies, except as noted in section 2.0 below.

- Annex 1 Process Flow Chart for transfer of certification
- Annex 2 Link to Contact Points
- Annex 3 Transfer of Certification (Form TC MLC)
- Annex 4 Notification of Invalidation of Maritime Labour Certificate

Note:

1. This Procedural Requirement applies to requests for transfers of MLC certification received from 20 August 2013.

**No.
36**
(cont)**1.0 Definitions**

1.1 "Gaining Society (GS)" means a Society that receives a request for a transfer of MLC certification for a ship.

1.2 "Losing Society (LS)" means a Society from which MLC certification is being transferred.

2.0 General

2.1 This procedure shall not apply in the following cases:

2.1.1 Where there is a change of shipowner.

2.1.2 Where the certificate that is to be the subject of the transfer is an Interim certificate.

3.0 Gaining Society's Obligations and Reporting

3.1 On receiving a request from a shipowner to take over its MLC certification from another Society, the GS must inform the shipowner, in writing, that an application for such certification can only be accepted by the GS after it has received confirmation (with supporting documentation) that:

- (i) The existing certificate has not been withdrawn or otherwise invalidated by the LS or the Flag;
- (ii) All inspections initiated by the LS have been satisfactorily completed by the LS, unless otherwise agreed between the gaining and losing Societies; and
- (iii) Any serious deficiencies have been closed out or downgraded by the LS.

3.2 Where a written request for transfer of certification has been received from the shipowner, the GS shall notify the LS of the shipowner's request by using Step 1 of Form TC MLC.

3.3 If evidence of the certification status listed in Step 2 of Form TC MLC is not received from the LS within three (3) working days from notification, the GS may utilize the evidence and certification information provided by the shipowner. In such cases, the shipowner shall be reminded that the conditions of 3.1 are still applicable when the GS requests this information from the shipowner.

3.4 If the DMLC Part II was reviewed and certified previously by the LS, the GS shall re-review the DMLC Part II before the onboard inspection, mentioned in item 3.5 below. If the DMLC Part II was reviewed by the flag Administration, the GS will act in accordance with flag Administration's instructions relative to approval of the DMLC Part II.

3.5 An inspection is required for the issue of a new certificate.

3.6 The inspection by the GS shall address all required elements of the MLC, to the extent that the Society is authorized by the Administration, any flag Administration requirements and any matters arising out of the last inspection carried out by the LS. Where the transfer of

**No.
36**
(cont)

certification occurs within the intermediate or renewal due date window, the corresponding inspection may serve as the inspection required in 3.5.

3.7 If the inspection is successful and a new certificate is issued by the GS, the GS must inform the LS, within one (1) month of the date of issue, by completing Step 3 of the Form TC MLC.

3.8 When the inspection is not successful and, as a result, the transfer of certification is not accepted, the GS shall inform the LS, within two (2) working days of the date of the inspection, by completing Step 3 of the Form TC MLC and attaching the inspection report in which the reason for the rejection should be fully explained.

4.0 Losing Society's Obligations and Reporting

4.1 The LS shall co-operate by providing the information specified in Step 2 of the Form TC MLC within three (3) working days of the receipt of the completed Step 1. The documentation to be attached to the form by the LS includes:

- (i) The last Maritime Labour Certificate issued;
- (ii) The last inspection report, including any deficiencies identified, the corrective action plan and the time period(s) proposed for implementation;
- (iii) Any other information that may be relevant to the decision to accept or reject the transfer of certification.

4.2 Upon receipt of information that a new certificate has been issued by the GS, the LS shall issue a "Notification of Invalidation of Certification" in accordance with the Annex 4, as applicable, ensuring that the GS is notified.

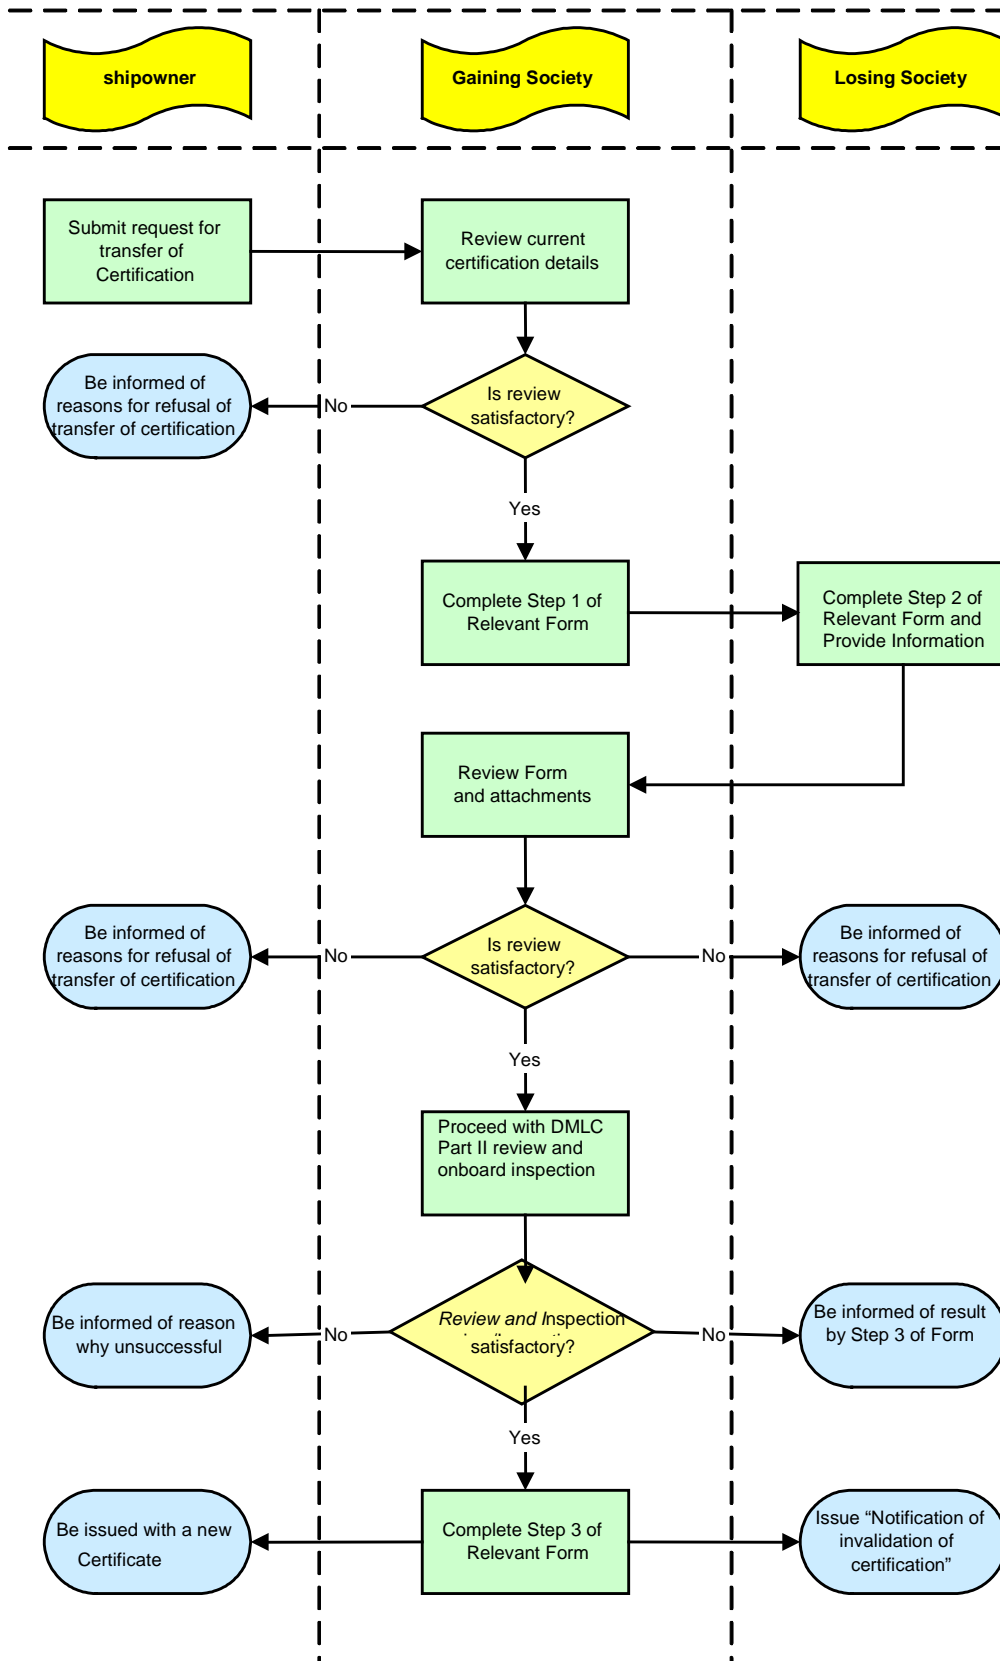

4.3 Upon receipt of information that the inspection is not successful because of an unresolved serious deficiency raised by the GS, the LS shall review the deficiency and take action as appropriate.

5.0 Other Requirements

Any administrative differences arising in relation to the implementation of this PR that cannot be settled bilaterally between the gaining and losing Societies are to be brought to the attention of the Permanent Secretariat for final resolution under the IACS Procedures Volume 3 Annex 4 "IACS Procedure for handling a complaint".
