

**SC174** **A 60 Front Insulation of Tankers**  
(July 2003)  
(Rev.1  
Aug 2006)  
**(Reg.II-2/9.2.4.2.5)**

For the portions which face the cargo area, the “A-60” class insulation should be provided up to the underside of the deck of the navigation bridge.

*(MSC.1/Circ.1203)*
