
No.21 Procedural Requirement for Statutory Surveys by Exclusive Surveyors

(Rev.0
July 2009)

(Rev.1
Apr 2010)

(Rev.2
Mar 2018)

1. On ships subject to mandatory IMO instruments, such as, but not limited to, SOLAS, MARPOL and/or Load Line Conventions, all statutory surveys are to be carried out by exclusive surveyors as defined in PR 5.
2. This includes follow-up surveys relating to rectification of statutory deficiencies. Approved service suppliers (see UR Z17) may be used to assist the exclusive surveyor. Purely administrative work having no bearing on safety or pollution prevention may be carried out by non-exclusive surveyors where allowed by the relevant flag Administration.
3. For the purpose of this Procedural Requirement, use of properly qualified, exclusive surveyors employed by other Classification Societies is limited to exceptional and duly justified cases and is subject to the discretion of the flag Administration.

Notes:

1. This Procedural Requirement applies from 1 July 2009.
2. For definition of exclusive surveyors, refer to the Procedural Requirement No.5.
3. Rev.1 of this Procedural Requirement applies from 1 July 2010.
4. Rev.2 of this Procedural Requirement applies from 1 January 2019.
