(Rev.0

2009)

Owner's hull inspection and maintenance schemes are to be encouraged as a means for maintaining compliance with classification and statutory requirements between surveys. However, these schemes are not to be accepted as an alternative to, or a substitute for, the performance of required classification and/or statutory surveys of the hull by the Surveyors of the Society, or of another duly authorized Society.*

*The Surveyors may be assisted, where appropriate, by service suppliers as defined in UR Z17.
