“Time of the Replacement or Addition” for the Applicable Tier Standard For the Supplement to the IAPP Certificate

MARPOL Annex VI Regulation

Reg 13.2.2 For a major conversion involving the replacement of a marine diesel engine with a non-identical marine diesel engine or the installation of an additional marine diesel engine, the standards in this regulation in force at the time of the replacement or addition of the engine shall apply.

Interpretation

The "time of the replacement or addition" of the engine is to be taken as the date of:

- a. the contractual delivery date of the engine to the ship*; or
- b. in the absence of a contractual delivery date, the actual delivery date of the engine to the ship*, provided that the date is confirmed by a delivery receipt; or
- c. in the event the engine is fitted onboard and tested for its intended purpose on or after six(6) months from the date specified in sub-paragraphs of regulation 13.5.1.2, as appropriate, the actual date that the engine is tested onboard for its intended purpose applies in determining the standards in this regulation in force at the time of the replacement or addition of the engine.

Entry of the date in a), b) or c), provided the conditions associated with those dates apply, is to be made in the item 8.a "Major conversion – According to Reg. 13.2.1.1 &13.2.2" of the IAPPC Supplement.

If the engine is not tested within six(6) months after the date specified in sub-paragraphs of regulation 13.5.1.2, as appropriate due to unforeseen circumstances beyond the control of the ship owner, then the provisions of "unforeseen delay in delivery" may be considered by the Administration in a manner similar to MARPOL Annex I UI4.

Footnote:

* The engine is to be fitted onboard and tested for its intended purpose within six(6) months after the date specified in sub-paragraphs of regulation 13.5.1.2, as appropriate.

Note

1. This UI is to be uniformly applied by IACS Societies to IAPP Certificates which are newly issued on or after 1 January 2013. Existing IAPP Certificates onboard are valid until their expiry.
2. Rev.1 of this UI is to be uniformly applied by IACS Societies from 1 January 2020.
